About the Play

The untold story of Harriet Tubman's life!

Harriet Tubman: Fight for Freedom is an electrifying and captivating one-woman show that takes its audience on Harriet's exploits after she stopped working as a Conductor on the Underground Railroad through her celebrated Civil War service as a soldier, spy, and nurse. The show celebrates the indomitable life and spirit of this great American who made her way to freedom, and never stopped fighting to free others.

Once again, the theater brings Eunice Seagraves to the stage to portray through her spirit and song this incredible woman.
